

INSTRUMENT RENTAL AGREEMENT 2019-2020

ANTHONY MIDDLE SCHOOL

Student Name: \_\_\_\_\_ Grade: \_\_\_\_\_  
Advisory Teacher Name: \_\_\_\_\_ Rm #: \_\_\_\_\_  
Instrument: \_\_\_\_\_

We will be responsible for the school owned instrument. The school district is responsible for normal care and maintenance of the instrument. We understand that we are to use the instrument carefully and keep it in the same “state of being” as when we first received it. Any damages to the instrument as a result of misuse will be the responsibility of the parent/guardian. We understand we are responsible for replacing an instrument in the case it is lost.

The school-owned instrument use fee is \$50.00. This helps to cover cleaning, maintenance, and supplies. If you wish to purchase an instrument see the list of stores on the reverse side.

PERCUSSION: We ask a \$25.00 fee for percussionists who own their own bell kit and practice pad or snare drum OR \$50.00 for percussionist who would like to rent school percussion equipment. This contributes to purchasing/repairing school owned percussion instruments that students play during rehearsal. The music stores are listed on the reverse side of this paper. Educational percussion kits can be purchased new and used at the music stores.

MAKE CHECKS PAYABLE TO “ANTHONY MIDDLE SCHOOL PTA”. Put checks/cash in an envelope with your student’s name and this form and bring it to Mrs. Linne in the band room.
